

## AVCA SILENT AUCTION BIDDING GUIDELINES

### BIDDING

- Bid sales are final - no exchanges or refunds.
- Certificates must be used as stipulated and copies are available for review at the auction display. These certificates indicate any special blackouts or restrictions. While every effort will be made to include all restrictions and blackout dates in the item posting, bidders are encouraged to review the copy of the certificate before bidding.
- The donor determines values set on items and provides all descriptions.
- Items must be paid for in U.S. funds by VISA, MasterCard, Discover or American Express.
- Please visit [acvaconvention.org/auction](https://acvaconvention.org/auction) for the bidding portal link.
- Bids are accepted in \$5 and \$10 (USD) increments only (increments specified per item). High bidder names will be available by 8:30 a.m. EST on Saturday, December 21, in the auction area.
- Bidding on an item authorizes the AVCA to release your contact information to the donor of the item on which you bid.
- Tax information will be mailed to all high bidders following the AVCA Convention upon request.
